**Subject:** RE: HSP29--new lab supply contract

Dear Gary,

Thanks for the message. Have a nice day.

Best regards,  
Xingtai

**Subject:** HSP29--new lab supply contract

As you may know, the lab supply and equipment contract, HSP22, expired on June 30. A new contract, HSP29, is now in place. The contract vendors are listed below. As always, shop around for cheapest prices. If you have any questions, give me a call.
